Dear Ed,

Here are our last 3 forms (whew!):

Form 1	pages 1-32
" 18	" 545-576
" 19	" 577-608.

You can bet that I'm glad to get them out of here.

I'll be giving you a call about the same time you receive these to find out if you've shipped us any paginated blue-lines. If you haven't, don't: I'll look at them once I'm there.

I plan to fly into Lexington at 6:20 pm. I have a hotel booked there, so what I'm planning is to find my way to your plant some time on Thursday morning. I'll check with you on the phone for directions etc.

'Till I talk to you,

Yours,

Jonathan Evelegh
